United States law, Applicants reserve the right to present to the Office the relevant facts and law regarding the appropriate status of such documents.

Applicants further reserve the right to take appropriate action to establish the patentability of the disclosed invention over the listed documents, should one or more of the documents be applied against the claims of the present application.

The Foreign Patent Documents listed were cited in the International Search Report which issued from a corresponding PCT application. In lieu of a statement of relevance or translation of each of the non-English documents, one or more English language abstracts are enclosed. An English language version of the International Search Report citing the documents and setting forth the relevance thereof is also enclosed. The International Search Report is not a reference, and Applicants do not necessarily subscribe to any of the statements contained therein.

If there is any fee due in connection with the filing of this Statement, please charge the fee to our Deposit Account No. 05-1325.

Respectfully submitted,
